Mark Your Calendars: Family of Rotary and Pumpkin Carving Event - October 29, 2017!

The Rotary Club of Dunwoody is proud to announce another fun Family of Rotary event and the dedication of the Club's latest Brook Run Park Service Project.

On **Sunday, October 29, 2017** (at **Brook Run Park**) the Club will hold a Tree Planting dedication, followed by a pumpkin decorating contest plus a pizza party. This is surely going to be a fun day for the entire family and especially for the kids and grand kids. There is no charge for this event!

The fun will begin at **2:00 PM ET:00 pm** at Brook Run Park with the Club's dedication of our new Rotary Grove. Under the direction of **Ranger Fred Bounds**, our club plans to plant five (5) trees a year, each year for four (4) years for a total of 20 trees. The grove is to be dedicated to those members of the armed forces from Dunwoody who served and sacrificed for our freedom.

We hope to see everyone at Brook run Park to participate in this new community venture and fun filled day.

Did you know..... Shepherd Spinal Center

SHEPHERD SPINAL CENTER, right here in Atlanta, is a nationally renowned private, non-profit hospital that specializes in medical treatment, research and rehabilitation for people with spinal cord injuries, brain injuries, multiple sclerosis, chronic pain and other neurological conditions. It is ranked among the top 10 best rehabilitation hospitals in the nation by U.S. News & World Report.

The Center was begun by Alana Shepherd in the 1970s when her son suffered a severe spinal cord injury while surfing on vacation in Brazil. There was no such facility in Atlanta at the time, so they ended up flying him to a well known Spinal Center in Denver, Colorado. It therefore became clear to the Shepherd family at this time that the Southeast desperately needed such a facility. As a result of the Shepherd family's passion and a handful of supportive friends, the birth of this Center was initiated in 1975. These 37 years have seen the Shepherd Center grow from a dream to a 152-bed rehabilitation facility which is considered one of the nation's finest catastrophic care centers in our country.

This Center is more than just a “rehabilitation hospital” because they provide a continuum of care wrapped around the patient and family beginning the day they are admitted to the ICU or their rehab floors and extending beyond the day they leave. Leading this facility is SARAH A. MORRISON who is President and CEO. She joined the Center in 1984 as a physical therapist and served in various leadership roles prior to becoming CEO. Her career-long tenure at Shepherd Center is a testament to her unceasing passion and commitment to the center’s long-term success in carrying out its day-to-day mission to advocate for all people with temporary or permanent disabilities and assist them in living their lives with independence and dignity. In 2013 Sarah received the award for Clinical Excellence in Neurology from the Neurological Section of the American Physical Therapy Association.

We are pleased to welcome her to speak at our Club on October 13, 2017.

Upcoming Event: Tour of Grady Memorial Hospital - Thursday, November 16, 2017

A few weeks ago our speaker was Frank Blake, Chairman of Grady Hospital Corporation. We learned many interesting things about Grady and the services they offer the greater Atlanta metropolitan area. They are nationally rated and provide outstanding services for burn victims, stroke patients, ER services and many other medical conditions. 

Our tour date is **Thursday, November, 16, 2017 at 11 AM ET.**

Our plan is, hopefully, to have volunteer drives so we can carpool. Dependent upon the number of cars, the hospital will reserve spaces for us in the employee parking deck. It is always fun to ride together and share Rotary ideas and get to know each other better.

RSVP and registration is now closed. Please speak with **Kathy Brandt** if you have any questions.

RCD Caring Hands

An oft-quoted maxim says, "*No one cares how much you know, until they know how much you care*". - *Theodore Roosevelt*

The cards for members and their families that circulate during our meetings are one way to express shared joy over good news or shared concern about difficulties experienced. As one of our members recently stated at his return from surgery, getting a card with heartfelt greetings from all the members present helped him feel better and heal sooner.

Once we know our friendly breakfast club is also a caring club, our dedication to "*Service Above Self*" is stronger and we look forward to participating in projects and events with other Rotarians. If we are in need of a service, the first call made will be to a Rotarian.

So, if you are aware of an approaching or past event worthy of celebration or concern, please tell **Dottie Toney-Ransom** at toneydot@me.com. You can also write it on either a yellow card (for joy) or a blue card (for concern) and leave it on the table, or place it in Dottie's hand at the end of the meeting.

We ARE a very caring club! Thank you for helping to make it so.
