“When an organization meets the needs of an employee and lets them know that they are truly an important part of the team, they will go the extra mile to meet the needs of your clients. You cannot buy this type of conscientious behavior which comes from within an employee who wants to provide a service to retain clients and grow an organization.”

LAST WEEK'S PROGRAM

October 24, 2016 - Annual Public Service Awards Program

On **Monday, October 16, 2017**, the Rotary Club of Sandy Springs hosted the 2017 Public Safety Awards during an annual luncheon. The annual event recognizes City of Sandy Springs first responders who have shown exemplary professional accomplishments in the city's Fire/EMS and Police Departments. Sandy Springs Police Captain (and member of the Rotary Club of Sandy Springs) Mike Lindstrom officiated the program, and Police Chief Ken DeSimone and Fire Chief Keith Sanders (also a member of the Rotary Club of Sandy Springs) presented their respective department winners. Also speaking during the event was Sandy Springs Mayor Rusty Paul, an honorary member of the Rotary Club of Sandy Springs. Of special significance was the posthumous acceptance of the Firefighter of the Year Award for Jacob Hammond by his mother, Lynn Hammond, who commended both the Sandy Springs Fire Department for welcoming her son into the profession of firefighting and the Sandy Springs Police Department, which showed enormous compassion and sympathy to her when she was informed that her son was recently killed on September 21, 2017 in an off-duty, motorcycle accident. Jacob was only 21 years old at his death and had joined the Sandy Springs Fire Department in March of 2015.
